End Application:

6675-01-515-4610 azimuth surveying instrument

Product Name:

Short barrel shoulder washer

Special Features:

Head diameter 0.750 inch; head height 0.060 inch; barrel external diameter 0.500 inch; barrel interior diameter 0.385 inch; barrel length 0.060 inch; accommodates 0.375 inch screw

Color:

Natural

Material:

Plastic polychlorotrifluoroethylene

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
