End Application:

Crows

Product Name:

Vibration resistant lock washer

Special Features:

Hassy includes a pair of reusable washers each with wedges on one side and radial teeth on the other. Id and od tolerance is +/-0.008", id=0.53", od=0.77". Assembly thickness = 0.09". For screw size 0.50".

Material:

Steel comp 316

Style Designator:

Two piece interlocking

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
