**End Application:**

Crows

**Product Name:**

Vibration resistant lock washer

**Special Features:**

Hassy includes a pair of reusable washers each with wedges on one side and radial teeth on the other. Id and od tolerance is +/-0.008", id=0.53", od=0.77". Assembly thickness = 0.09". For screw size 0.50".

**Material:**

Steel comp 316

**Style Designator:**

Two piece interlocking

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A022b0
