Product Name:

Locknut

Special Features:

For valves with pressure screws made of any alloy brass or any class monel alternate material, astm b-21 uns c48500

Material:

Copper alloy

Material Specification:

Qq-b-637 alloy 485 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A021a0
