**End Application:**

Modular ionizer ass'y

**Product Name:**

Nut, elastic stop number 10 (0.190-32 unf)

**Material:**

Stainless steel

**Material Specification:**

Ms-17829 military specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A021a0

**Mil-std (military Standard):**

spec.
