End Application:

Modular ionizer ass'y

Product Name:

Nut, elastic stop number 10 (0.190-32 unf)

Material:

Stainless steel

Material Specification:

Ms-17829 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A021a0

Mil-std (military Standard):

spec.
