Thread Direction:

Right-hand

End Application:

NSN:-54-200-0889

Thread Size:

0.112 inches

Product Name:

Screw, hexagon head

Material:

Steel

Material Specification:

Ms51963 military standard all material responses

Surface Treatment Specification:

Mil-std-171, except .0003 thick military standard all treatment responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A021a0

Mil-std (military Standard):

Mil-std-171 spec.
