**Hole Diameter:**

0.265 inches

**Edge Shape:**

Round

**Overall Diameter:**

1.125 inches

**End Application:**

Fire extinguisher sphere mountingc 130 hercules aircraft

**Special Features:**

0.063 inches thick

**Material:**

Steel

**Surface Treatment:**

Cadmium

**Surface Treatment Specification:**

Qq-p-416, type 11, class 2 federal specification 1st treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A022b0
