Hole Diameter:

0.265 inches

Edge Shape:

Round

Overall Diameter:

1.125 inches

End Application:

Fire extinguisher sphere mountingc 130 hercules aircraft

Special Features:

0.063 inches thick

Material:

Steel

Surface Treatment:

Cadmium

Surface Treatment Specification:

Qq-p-416, type 11, class 2 federal specification 1st treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
