**End Application:**

Valve, regulating fluid. 3/4" trac style 'h' sea water pressure reducing valve as per mil-v-2042/astm-f1370 type i 150

**Thready Qty Per Inch (tpi):**

28

**Thread Size:**

0.250 inches

**Product Name:**

Nut-disc holder 1/4"-28. Nut, hexagon

**Special Features:**

Class b-cold-form i

**Material:**

Nickel alloy

**Material Specification:**

Qq-n-281 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A021a0
