Hole Diameter:

0.398 inches

Outside Diameter:

0.692 inches

Material Thickness:

0.032 inches

End Application:

5895-01-526-8477, data analysis central

Product Name:

Internal-tooth lock washer

Material:

Steel

Style Designator:

Flat internal teeth

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
