**Thread Direction:**

Right-hand

**End Application:**

Nsn: 2420-01-535-4061 high mobility eng excavator

**Product Name:**

Hexagon nuts - metric

**Special Features:**

Size m10; white aluminium colour finish to jcb standard std00017 (formally dacromet)

**Material:**

1370/ grade "8" material and grade to bs3692

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A021a0
