Thread Direction:

Right-hand

End Application:

Nsn: 2420-01-535-4061 high mobility eng excavator

Product Name:

Hexagon nuts - metric

Special Features:

Size m10; white aluminium colour finish to jcb standard std00017 (formally dacromet)

Material:

1370/ grade "8" material and grade to bs3692

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A021a0
