Cross Sectional Shape:

Rectangular

Edge Shape:

Round

Center Hole Shape:

1 round

End Application:

Salt water cooling pump, 998-1205-a-02, 998-1205-b-01

Criticality Code Justification:

Feat

Product Name:

Impeller washer

Special Features:

Military critical, export control; 316 stainless steel

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
