Thread Direction:

Right-hand

End Application:

1427-01-386-3113, guided missile and launching assembly, su

Thread Series:

M

Hole Thread Pitch In Millimeters:

2.00

Product Name:

Metric hex jam nuts

Material:

Steel

Material Specification:

Astm a563m national std/spec all material responses

Surface Treatment:

Cadmium

Surface Treatment Specification:

Qq-p-416, ty ii, cl 3, property cl 10 federal specification all treatment responses

Supplementary Features:

M16 x 2

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A021a0
