Hole Diameter:

0.093 inches

Shoulder Diameter:

0.200 inches

Outside Diameter:

0.120 inches

Overall Height:

0.093 inches

Shoulder Height:

0.031 inches

End Application:

1025-01-445-0991, 155mm lightweight howitzer, towed

Product Name:

Insulated washer

Special Features:

Surface treatment is laminate

Material:

Plastic polyimide body

Style Designator:

Shouldered

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
