Hole Diameter:

0.812 inches

Edge Shape:

Round

Center Hole Shape:

1 round

Overall Diameter:

2.000 inches

End Application:

2355-01-542-7908 interim vehicle mine detection

Product Name:

Electrically conductive copper flat washer

Special Features:

3/4" size with thickness 0.083"-0.103" min-max

Material:

Copper alloy 110

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
