End Application:

Buffalo

Product Name:

Nut, lock, hexagon

Special Features:

M16 x 2.00 metric 12.9 all metal lock nuts, bowma-grip flange lock nut, meets class 12 specifications, cad plated and brulin wax applied.

Material:

Steel

Surface Treatment:

Cadmium

Special Test Features:

Cadmium plated and brulin wax med carbon

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A021a0
