**End Application:**

Buffalo

**Product Name:**

Nut, lock, hexagon

**Special Features:**

M16 x 2.00 metric 12.9 all metal lock nuts, bowma-grip flange lock nut, meets class 12 specifications, cad plated and brulin wax applied.

**Material:**

Steel

**Surface Treatment:**

Cadmium

**Special Test Features:**

Cadmium plated and brulin wax med carbon

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A021a0
