End Application:

2590-01-558-3273 interrogation arm assembly

Product Name:

Split lock washer

Special Features:

Style and size: medium m22, grade 8

Material:

Steel

Material Specification:

Din 127b assn standard single material response

Surface Treatment:

Zinc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
