Thread Direction:

Right-hand

End Application:

Lugger propulsion engine I844d

Thread Series:

Iso m

Thread Size:

10.0 millimeters

Hole Configuration Style:

Configuration c

Product Name:

Hex nut, nylock m10

Special Features:

Used on base frame assembly

Material:

Plastic polyamide locking insert

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A021a0
