**Hole Diameter:**

0.340 inches

**Outside Diameter:**

0.530 inches

**Overall Height:**

0.090 inches

**End Application:**

2320-01-494-7606; light armored vehicle

**Hardness Rating:**

50.0 rockwell c

**Product Name:**

Wedge lock washer

**Special Features:**

Shape: wedge lock; for screw size: 5/16 inch; finish: plain; inside diameter tolerance: plus/minus .0008 inch; thickness tolerance: plus/minus 0.010 inch

**Material:**

Steel comp 316

**Style Designator:**

Two piece interlocking

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A022b0
