Hole Diameter:

0.340 inches

Outside Diameter:

0.530 inches

Overall Height:

0.090 inches

End Application:

2320-01-494-7606; light armored vehicle

Hardness Rating:

50.0 rockwell c

Product Name:

Wedge lock washer

Special Features:

Shape: wedge lock; for screw size: 5/16 inch; finish: plain; inside diameter tolerance: plus/minus .0008 inch; thickness tolerance: plus/minus 0.010 inch

Material:

Steel comp 316

Style Designator:

Two piece interlocking

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
