End Application:

Mrap rg-33; mrap plus

Product Name:

Lock washer

Special Features:

Washer, lock, regular helical spring; non-threaded fastener; .250 inch dia.

Material:

Steel

Surface Treatment:

Passivate

Specification Data:

Asmeb18.24-2004 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
