Hole Diameter:

1.030 inches

Outside Diameter:

1.500 inches

Overall Height:

0.135 inches

End Application:

Series 50 cable reel

Product Name:

Sw 3/4

Material:

Rubber synthetic and plastic

Material Specification:

UI94v-0 flame retardant assn standard single material response

Style Designator:

Concave

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
