**Hole Diameter:**

0.740 inches

**Outside Diameter:**

1.080 inches

**Overall Height:**

0.120 inches

**Material Thickness:**

0.020 inches

**End Application:**

3825-01-577-2713 distributor, water, tank type

**Hardness Rating:**

44.0 rockwell c

**Product Name:**

Triple-wave washer

**Special Features:**

Three waves, locking washer, for 0.750 inch screw size

**Material:**

Steel

**Style Designator:**

Spring tension

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A022b0
