Hole Diameter:

0.740 inches

Outside Diameter:

1.080 inches

Overall Height:

0.120 inches

Material Thickness:

0.020 inches

End Application:

3825-01-577-2713 distributor, water, tank type

Hardness Rating:

44.0 rockwell c

Product Name:

Triple-wave washer

Special Features:

Three waves, locking washer, for 0.750 inch screw size

Material:

Steel

Style Designator:

Spring tension

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
