**End Application:**

4810-01-572-8283; lightweight water purification system

**Product Name:**

Washer, lock

**Special Features:**

Min inside diameter .380 inches; maximum od .750 inches; thickness .0400 inches; height .059 inches; load 237 pounds

**Material:**

Steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A022b0
