End Application:

4810-01-572-8283; lightweight water purification system

Product Name:

Washer, lock

Special Features:

Min inside diameter .380 inches; maximum od .750 inches; thickness .0400 inches; height .059 inches; load 237 pounds

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
