**Hole Diameter:**

0.530 inches

**Outside Diameter:**

1.000 inches

**Overall Height:**

0.125 inches

**Hardness Rating:**

80.0 rockwell b

**Special Features:**

Shape: bonded; finish: neoprene-backed; stainless steel type: 18-8; application: sealing washer; durometer hardness: 65a-75a; operating temperature range: negative 45 to 250 degree fahrenheit

**Color:**

Black

**Material:**

Stainless steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A022b0
