Hole Diameter:

0.530 inches

Outside Diameter:

1.000 inches

Overall Height:

0.125 inches

Hardness Rating:

80.0 rockwell b

Special Features:

Shape: bonded; finish: neoprene-backed; stainless steel type: 18-8; application: sealing washer; durometer hardness: 65a-75a; operating temperature range: negative 45 to 250 degree fahrenheit

Color:

Black

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
