Hole Diameter:

Between 2.062 inches and 2.125 inches

Radius:

3.500 inches

Outside Diameter:

3.875 inches

Material Thickness:

Between 0.730 inches and 0.770 inches

Product Name:

Black-oxide case hardened steel self-aligning washer set (spherical washer)

Color:

Yellow

Material:

Steel

Surface Treatment:

Oxide

Style Designator:

Concave

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
