Thread Direction:

Right-hand

End Application:

2355-01-539-3589; light armored vehicle

Thread Series:

M

Thread Size:

5.0 millimeters

Product Name:

Wing nut

Special Features:

18-8 stainless steel; m5 screw size, 0.8 mm pitch

Material:

Stainless steel

Supplementary Features:

Provide excellent corrosion resistance and may be slightly magnetic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A021a0
