Hole Diameter:

0.400 inches

Outside Diameter:

1.750 inches

Overall Height:

0.310 inches

Recess Diameter:

0.630 inches

Material Thickness:

0.090 inches

End Application:

Engine maintenance stand

Product Name:

Bolt seat washer

Special Features:

Steel is galvanized

Material:

Steel

Style Designator:

Finishing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
