Cross Sectional Shape:

Rectangular

Edge Shape:

Round

Center Hole Shape:

1 round

End Application:

Valve ball 2-way, 1000 .75 nps sw, ti

Product Name:

Washer, pin locking, 1.00 nps

Material:

Steel comp 316

Material Specification:

Astm a278 national std/spec single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
