Hole Diameter:

0.312 inches

Outside Diameter:

0.625 inches

Overall Height:

0.048 inches

Material Thickness:

0.031 inches

Product Name:

Belleville disc spring

Special Features:

The calculated load at flat (pmax) is 233.0 lbs. The bolt size is 5/16 or .3125 inches

Material:

Stainless steel

Style Designator:

Spring tension

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
