Hole Diameter:

0.8125 inches

Outside Diameter:

0.6875 inches

End Application:

8750015-sa

Hardness Rating:

80.0 rockwell b

Product Name:

Self-aligning washer set

Special Features:

This item has a female half and a male half; the male half has od of 0.625 in (nom) and id of 0.8125 in (nom) and is concave and also has material of corrosion resistant steel

Material:

Stainless steel

Style Designator:

Saddle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
