Hole	Diameter:
11010	Diameter.

0.8125 inches

**Outside Diameter:** 

0.6875 inches

## **End Application:**

8750015-sa

## Hardness Rating:

80.0 rockwell b

#### **Product Name:**

Self-aligning washer set

#### **Special Features:**

This item has a female half and a male half; the male half has od of 0.625 in (nom) and id of 0.8125 in (nom) and is concave and also has

material of corrosion resistant steel

## Material:

Stainless steel

**Style Designator:** 

Saddle

#### Shelf Life:

N/a

#### Unit Of Measure:

---

#### **Demilitarization:**

No

Fiig:

## A022b0
