Hole Diameter:

0.512 inches

Outside Diameter:

0.869 inches

Distance Across Split Opening:

0.357 inches

Material Thickness:

0.125 inches

Environmental Protection:

Corrosion resistant

End Application:

4940-01-591-0265

Product Name:

Washer, lock

Color:

Yellow

Material:

Steel

Surface Treatment:

Zinc

Style Designator:

Split

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
