Hole Diameter:

0.82 inches

Outside Diameter:

1.19 inches

Material Thickness:

0.06 inches

End Application:

5985-01-549-4609

Product Name:

Belleville spring lock washer

Special Features:

Black finish steel serrated belleville washer m20 screw s

Material:

Steel

Style Designator:

Serrated

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
