End Application:

10-secdn-17 chilled water pump

Product Name:

Washer, plain, ty.A 3/4n

Material:

Stainless steel

Material Specification:

Astm a240 assn standard single material response or ams5504 national std/spec single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
