Thread Direction:

Right-hand

Locking Feature:

Prevailing torque all nonmetallic design

Nut Style:

Hexagon

End Application:

7010-01-600-6765

Thread Series:

Unc

Product Name:

Nut, self-locking, hexagon, non-metallic locking feature

Special Features:

250 degrees fahrenheit

Material:

Steel comp 316 nut

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A021a0
