End Application:

Mrap rg-33 auv

Product Name:

Washer, lock external tooth, non-threaded washer

Special Features:

Size 10, 0.190, non-threaded washer

Material:

Steel

Surface Treatment:

Phosphate

Surface Treatment Specification:

Dod-1623200 type 3 class 2 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0

Mil-std (military Standard):

spec.
