Hole Diameter:

0.22 inches

Outside Diameter:

0.41 inches

Minor Thickness:

0.02 inches

Major Thickness:

0.03 inches

Material Thickness:

0.02 inches

End Application:

4910-01-539-6129; container, standard

Product Name:

Lock washer

Material:

Steel

Surface Treatment:

Zinc

Style Designator:

Flat internal teeth

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
