Hole Diameter:

0.330 inches

Outside Diameter:

0.625 inches

Overall Height:

0.125 inches

End Application:

6665-01-621-7138

Product Name:

Neoprene bonded with stainless steel backing washer

Special Features:

Neoprene bonded portion color black

Material:

Steel comp 302

Style Designator:

Concave

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
