Hole Diameter:

0.310 inches

Outside Diameter:

0.680 inches

Overall Height:

Between 0.070 inches and 0.090 inches

End Application:

8145-01-598-4829

Product Name:

High-pressure metal-bonded sealing washers

Material:

Steel comp 316

Style Designator:

Concave

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
