**Hole Diameter:**

Between 0.535 inches and 0.540 inches

**Outside Diameter:**

Between 0.940 inches and 0.950 inches

**Recess Diameter:**

Between 0.650 inches and 0.660 inches

**Material Thickness:**

Between 0.071 inches and 0.085 inches

**End Application:**

Various c-5 aircraft

**Hardness Rating:**

Between 39.0 rockwell c and 45.0 rockwell c

**Recess Angle:**

Between 44.0 degrees and 46.0 degrees

**Product Name:**

Washer, countersunk and plain 1/32 oversized

**Material:**

Steel comp 4130

**Surface Treatment:**

Cadmium

**Style Designator:**

Recessed

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A022b0
