Hole Diameter:

0.650 inches

Outside Diameter:

1.187 inches

Overall Height:

0.125 inches

End Application:

Slewing arm d

Product Name:

Bonded sealing washer

Special Features:

Neoprene-bonded with 18-8 stainless steel backing. Cage 57729, aztec manufacturing, 13821 danielson st, poway ca 92064-6891, phone: 858-513-4350, is the oem.

Material:

Stainless steel and rubber neoprene

Style Designator:

Concave

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
