Hole Diameter:
0.650 inches
Outside Diameter:
1.187 inches
Overall Height:
0.125 inches
End Application:
Slewing arm d
Product Name:
Bonded sealing washer
Special Features:
Neoprene-bonded with 18-8 stainless steel backing. Cage 57729, aztec manufacturing, 13821 danielson st, poway ca 92064-6891, phone
858-513-4350, is the oem.
Material:
Stainless steel and rubber neoprene
Style Designator:
Concave
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A022b0
