**Diameter:**

Between 0.116 inches and 0.120 inches

**Underloop Length:**

Between 1.188 inches and 1.312 inches

**Point Type:**

Standard

**Material:**

Steel comp 1008 or steel comp 1010 or steel comp 1012 or steel comp 1015 or steel comp 1017 or steel comp 1018 or steel comp 1020

**Material Specification:**

66 federal standard all material responses

**Style Designator:**

Standard

**Supplementary Features:**

Replacement nsn 5315-00-012-0123 ms24665-355

**Specification Data:**

81348-ff-p-386 government specification

**Specification Or Standard:**

B type and 4 class

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A212a0
